Dear Smith

Benedicta is a people person driven by a passion for justice and service. As a diligent and authentic leader, I'm committed to amplifying your voices and championing your welfare.

Growing up, I realized that the best way to make a difference is through empowering others. My vision is simple, empower corp members, enhance National Development. Through MHS, I'll leverage my skill to strengthen healthcare, and foster inclusive communities.

With regards,

Benedicta Umeh
(Managing Director)
